

# Nitrosamine and Compound Chemical-Free Declaration

All pumice products mined and processed by Hess Pumice Products, Inc. are hereby declared to be free of any organic chemical compounds, including (but not limited to) nitrosamine. As such, our pumice products are exempt from risk evaluation as outlined by European Medicines Agency's Marketing Authorisation Holders requirements.

A handwritten signature in blue ink, appearing to read "Brian K. Jeppsen".

Brian K. Jeppsen

Hess Pumice Products, Inc., VP, Research & Development
